Milo the Mouse and the Giant Cheese
A Read-Aloud Fable!

A Story & Activities Book for Little Learners

by Jennifer Childers

A brand-new made-up story for little learners.

Story Part 1

Milo was a little mouse.

One day, Milo saw a cheese. The cheese was as big as a house!

“Wow!” said Milo.

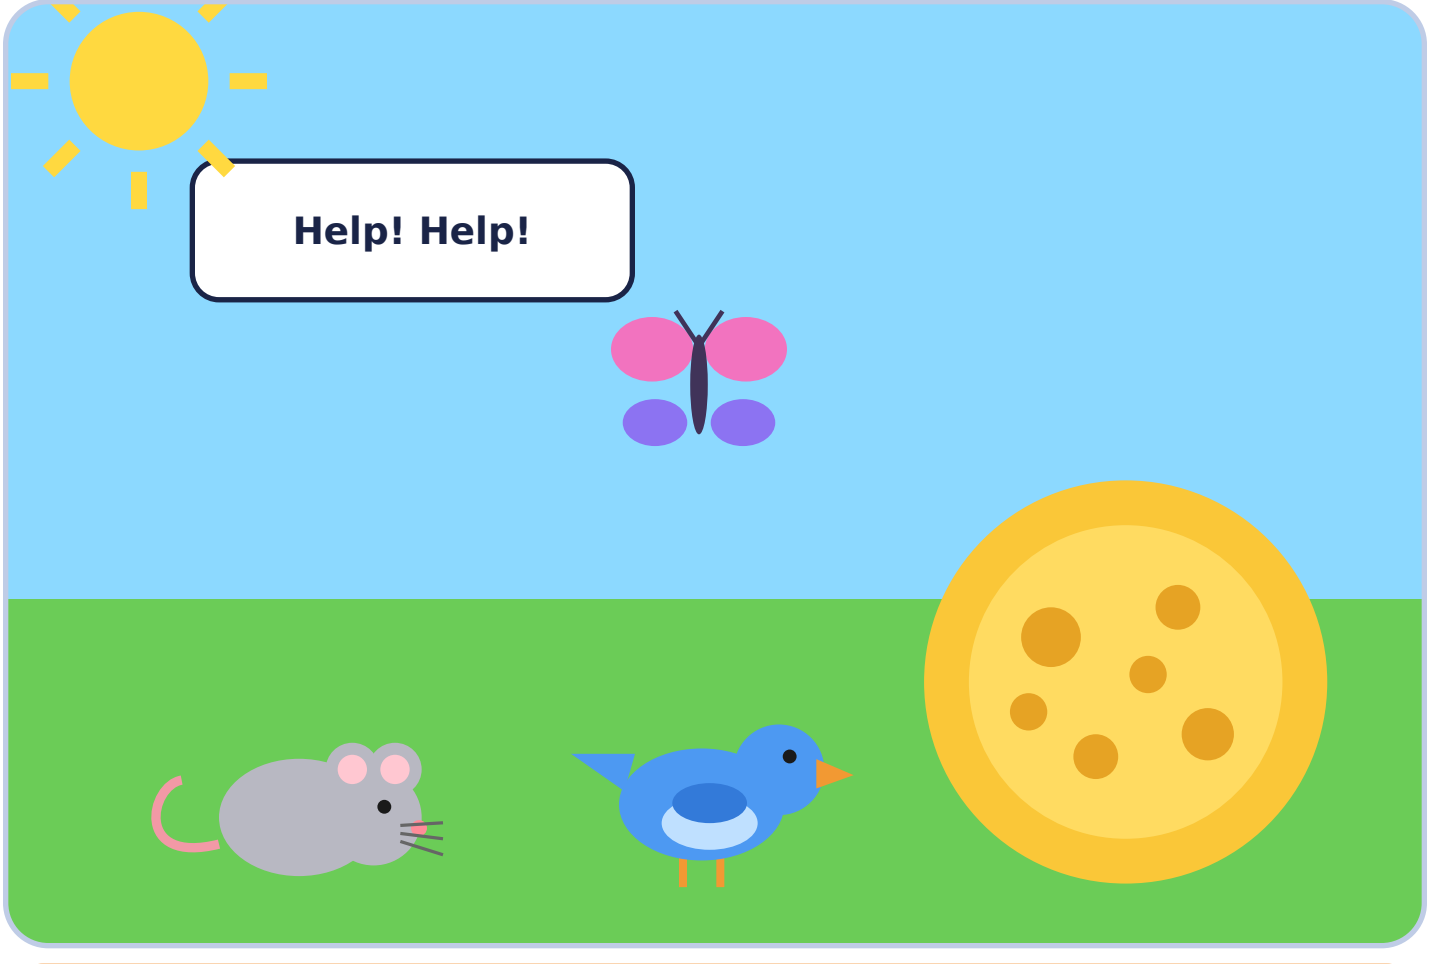
Story Part 2

Milo pushed the cheese. Push, push, push!

Milo pulled the cheese. Pull, pull, pull!

The cheese did NOT move. Not one bit!

Story Part 3



“Help! Help!” called Milo.

Bella the butterfly came. Benny the bird came.

“We can help!” they said.

Story Part 4

Push! Push! All of them pushed.

The cheese rolled home! Then they had a big, yummy feast.

“Thank you, friends!” said Milo.
